## THE TEMPLE EMANUEL HARTMAN TRIP 2016

This summer's Hartman trip was another wonderful experience that Temple Emanuel Newton would like to share with the entire Temple Emanuel community!

The annual Hartman Institute Summer Study Retreat in Israel program's subject matter topic changes each year, and the theme for summer 2016 was "What is a Jew? Dilemmas of Identity in the twenty-first Century."

The program, in operation for more than 20 years, takes place at the Institute's beautiful campus in the heart of Jerusalem.
